FEC letter dated 5/23/2003 in response to Amended 30 Day Post-General
Report (10/17/02-11/25/02)

Dear Ms. Parks:

In your letter referenced above you noted that the Sierra Club Political Committee made contributions in excess of the limit for the Jim Marshall2002.org General Election Campaign. As noted in previous correspondence we inadvertently exceeded the campaign contribution limit and therefore obtained a refund of the excess amount. This refund will be reported in the mid-year report filed on 7/31/2003.

Sincerely,

Margaret Conway
Sierra Club Political Committee
